

Fall Swim (CAMPS) – CV 2020

Your chance to improve your swimming at MCC begins August 17th, 2020. The Aquatics Department will be offering 4 swim CAMP sessions for swimmers with SWIM TEAM EXPERIENCE. With Coronavirus' continued threat to the health of our community, we are still not allowing any instructors in the water with our swimmers. As a result, it is imperative that we do not have any non-swimmers in our swimming groups. This is both for the safety of the swimmer and the group, as well as for the better psychological outlook for the affected swimmer. Struggling for 30-minutes, while filled with fear and possibly chilly is not an ideal way to get a young swimmer to LOVE the water and the sport. So, we will stand strictly by this condition for participation.

We will be offering 3 swim times for swimmers WITH SWIM TEAM EXPERIENCE aged 6-8 years of age. These will be Mon/Wed from 3:30-4:00pm or 4:00-4:30pm, and Tues/Thurs from 3:30-4:00pm. We can accommodate 12 swimmers per group, with no ability to change groups, as these are to be stable groups of 12. Swimmers will be placed by ability for ease of operation and best outcome for the swimmers. We can accommodate 36 swimmers per session.

We will be offering 3 swim times for swimmers WITH SWIM TEAM EXPERIENCE aged 9-10 years of age. Ideally, swimmers who will be turning 9 before June 15, 2021, will swim in this group. The groups will swim Mon/Wed from 4:30-5:15pm, or Tues/Thurs 4:00-4:45 or 4:45-5:30. Swimmers will be grouped by ability. We can accommodate 36 swimmers per session.

We will be offering 2 swim times for our swimmers older than 10 years. If you will turn 11 before June 15, 2021, ideally you will swim in this group. This group will swim either Mon/Wed from 5:15-6:15 or Tues/Thurs from 5:30-6:30pm. Swimmers will be grouped by ability. Swim team experience will be assumed for participation. We can accommodate 24 swimmers per session.
