

MCC 5 & Under Swimming Academy – Fall Program

We are excited to introduce the return of our FALL Swimming lessons option for our members with children aged “Potty-trained” up to 5 years of age. It is club policy that we do not take children in swim classes that are not yet potty-trained. We kindly ask that children not yet potty-trained only be in the water with their parents, and within arms-reach at all times to minimize the incidents of “Brown Outs” in our main pool.

The Swimming Lessons are private, and are 20-minutes long. These are primarily taught by Tiffany Forbes. Options are private lessons for \$30/20-minutes, or semi-privates (two children of similar ability who are friends) for \$40/20-min (\$20 from each participant). For those choosing the semi-private option, if the partner does not show for the lesson, you will only be billed as a private lesson.

Classes will begin Wednesday, September 11th, and run through Friday, October 25th, 7 weeks. Each week, lessons will be offered on Wednesdays before swim team practice begins at 3:30 (hopefully, taking advantage of the early release from school timing), and a late-morning session on Fridays. You may sign up for your desired time slot by sending an email to Tiffany at tiffany@moragacc.com. I will schedule swimmers as I received requests. If space allows, I’m happy to see some swimmers twice each week, but I would like to ask everyone to choose just ONE time slot to start.

Wednesday afternoon lesson time options are 1:40, 2:00, 2:20, 2:40 and 3:00pm start times.

Fridays, the time slots to choose from are 11:00, 11:20, 11:40am, 12:00, and 12:20.

The goal of this program will be to teach these young kids the best swimming lesson methods to get a child ready to join the MCC swim team by the time they are 5 or 6 years old. For newer families who have a six-year old who has NOT been on a swim team yet, please have your swimmer start in this program, rather than try to join the Fall Swim program, which is meant for the kids who have already been on swim team for a season or longer.

For more information about this program, please contact Tiffany via email. I am excited to offer programming to keep our youngest members in the water until the weather turns too unfavorable for these youngest swimmers.
